Withdraw this Confidential - tell the public that at
my request - he will not -

Thant To exercise restraint - not to create difficulties.
My second appeal to Your Excellency.

Castro -

Thant - long term - not only short term - will be one of my
recommendations to the L. Council to be considered. or one
of my points US protest inevitable Note to S Council,

Castro Without 5 points, there will be no long-term ^{definitive} solution
Difficult - continue too without these points - no
definite solution.

Honest means for definite solution
Will not accept any solution that means status quo -
~~another~~ Sovieting parasitism of Cuba.

Will be careful - delicate - over concentration.
if possible - the worst solution - small countries
very jealous of power - any country is not
prepared - little countries look with great horror
and protest - depending the result of all this will
concentration in the world - in the battle line of the
fight. Once in full center will fall.

Thurs
